Certificate in Supporting Individuals with Learning Disabilities Level 2

Who is it for?

This qualification provides an opportunity to develop knowledge and skills around supporting individuals with a learning disability. It is aimed at learners who support individuals with a learning disability as part of their job role. It will teach skills in supporting individuals with learning difficulties and how to provide the best care possible.

Course Content

This qualification provides an opportunity to develop knowledge and skills around supporting individuals with a learning disability. It covers a range of different topics and techniques that professionals may use to better support them. Individuals with learning disabilities need person centred care which this course will teach participants to provide

Course Delivery & Assessment

This qualification is designed to be assessed in the learner's workplace as they undertake their normal work role. The evidence must at all times reflect the policies and procedures of the workplace as informed by current legislation, the relevant service standards and the codes of practice for the sector. To successfully achieve a unit the learner must gather evidence which shows that they have met the required standard in the assessment criteria. Evidence can take a variety of different forms and assessors should identify an appropriate assessment method which reflects the assessment principles. However, appropriate assessment may take the form of one of the following examples:

- Multiple choice test
- Direct observation of the learner's performance by their assessor
- Outcomes from oral or written questioning
- Products of the learner's work
- Personal statements and/or reflective accounts
- Outcomes from simulation where permitted by
- The assessment strategy
- Professional discussion
- Expert witness testimony
- Evidence of Recognition of Prior Learning (RPL)

Progression Opportunities

Progression from this course could be to the Level 3 Certificate in Supporting Individuals with Learning Disabilities or other related healthcare courses.
